An Escort Directory in Australia Disrupting the Status Quo

Mayfair Confidential is changing how people communicate with escorts. Our escort directory in Australia helps find and connect people with escorts in their area or place of visit.

Everyone is looking for something different, whether it's as simple as companionship or something more. Mayfair Confidential provides a platform that makes it easy to create the right connections and find the services that are right for that person.

We focus on providing people with a better experience. The platform allows people to make contact with the right individuals.

Check out the listings in Sydney, Melbourne, Brisbane, and Perth.

The platform promotes escorts with a range of specialised services or those escorts with a particular area of expertise throughout Australia. The advertisers listed on the directory may offer specialised services are companionship, boyfriend or [girlfriend experiences](#), [porn star experiences](#) or [BDSM/fetish services](#).

What to Expect When You Hire An Escort

If you compare the Mayfair Confidential escort directory with any other escort directory in Australia, you'll see the difference. Our platform encourages males, females and transgenders to make connections based on more than location. It allows those to make connections on the backgrounds or services types of escorts in a particular area. Whilst everyone should be mindful of the different state laws, we encourage transparent communication in order for people to learn more about the kind of experience each courtesan delivers. In addition to other GFE, BFE, PSE and BDSM experiences, escort advertising on Mayfair Confidential provide companionship. For example, for people who aren't ready to enter a committed relationship. They can also provide those seeking a travel companion during personal or business trips.

Adult service providers help people feel more confident to explore their fantasies and fetishes.

Finding Escorts At Your Personal Convenience

For some people, it's a matter of not having enough time to find the right partner. For others, it's not knowing how to take that first step. For people who aren't sure how to take this step towards finding a relationship, spending time with an adult service provider can help.

Members of Mayfair Confidential get access to a broad range of benefits such as being able to log in from any location, follow their favourite advertisers, communicate using private chat on Mayfair Messenger and contribute to the platform by writing reviews and [blogs](#).

Once someone joins the platform, they become a part of the community. It's a secure site where you can keep track of your favourite experiences and people. Best of all, membership is free!

Using an escort service isn't something you should have to hide as people commonly recognise the services provided by escorts as normal in today's society.

Mayfair Confidential allows anyone to search for high-class escorts in Sydney, Brisbane, Perth or Melbourne, that specialise in a range of services.

Once a member joins Mayfair Confidential and becomes part of the conversation, you'll understand just how valuable these services are for a lot of people. It's an opportunity to learn more about yourself. Join today and see why Mayfair Confidential offers a uniquely beneficial experience to people throughout Australia.
